ISSUED: August 11, 2003

By The Commission:

On August 6, 2003, in response to the Utah Supreme Court's August 1, 2003 decision affecting the above-referenced dockets, Questar Gas Company filed a motion to set a scheduling conference "to allow the parties in the case to discuss, determine and schedule such additional proceedings as may be necessary."

On August 8, 2003, the Utah Committee of Consumer Services filed a petition to implement the Utah Supreme Court's August 1, 2003 decision in Questar Gas Company's current pass-through, Docket No. 03-057-05.

The Commission hereby gives notice that it will hold a scheduling hearing with the parties on Monday, August 18, 2003, at 2:00 p.m. in Room 426 of the Heber M. Wells Office Building, 160 East 300 South, Salt Lake City, Utah. The purpose of the scheduling hearing will be to address possible differences among the parties regarding how the Commission should proceed in implementing the Utah Supreme Court's decision reversing the Commission's decisions in Dockets 98-057-12, 99-057-20, and 01-057-14, insofar as those decisions permitted Questar Gas Company to recover in rates its contract costs to

process coal seam gas transported in Questar Pipeline Company's pipeline system.

Any person wishing to participate in the scheduling hearing by telephone should notify Julie Orchard, Commission Secretary, at (801) 530-6713, in advance of the scheduling hearing date.

DATED at Salt Lake City, Utah, this 11th day of August, 2003.
